Hotel Information:

The Millennium Broadway Hotel is quickly filling up with our attendees. There are only rooms with King beds still available. The room rate is \$180 per night plus tax. When booking your king room online or over the phone, two is the maximum number of guests it will allow you to make a reservation for. A limited number of cots are available upon request for a fee of \$15.

The Marriott Marquis remains full and the wait list keeps growing. It continues to operate on a first come, first serve basis until July 26th. We encourage you to make your reservation on the Marquis wait list but to arrange for other housing just to play it safe.

All cancellations of your reservations at the Marquis and Millennium must be made no later than July 26th. This will ensure that your change in plans will not negatively impact ICYPAA and your fellow attendees.

We can't stress enough the importance of making your hotel plans soon. There is very little chance anyone will
