Anonymity

¹Facts about Anonymity

"Experience suggests that A.A. members:

- *Respect the right of other members to maintain their own anonymity at whatever levels they wish.*
- *Use Last Names within the Fellowship, especially for the election of group officers and other service jobs."*

²On Anonymity among A.A.'s an excerpt from "Dr. Bob and the Good Oldtimers

"As far as anonymity was concerned, we knew who we were. It wasn't only A.A., but our social life. All of our lives seemed to be spent together. We took people home with us to dry out. The Cleveland group had the names, addresses, and phone numbers of all the members." said Warren. **"In fact, I remember Dr. Bob saying, 'If I got up and gave my name as Dr. Bob S., people who needed help would have a hard time getting in touch with me.'"**

Warren recalled, **"He [Dr. Bob] said there were two ways to break the anonymity Tradition: (1) by giving your name at the public level of press or radio; (2) by being so anonymous that you can't be reached by other drunks."**
