*"This we owe to A.A.'s future; to place our common welfare first; to keep our Fellowship united. For on A.A. unity depend our lives, and the lives of those to come..."*

## Responsibility Statement

I am responsible. When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that, I am Responsible.

## Road to Recovery

### **Step 5**

Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

### **Tradition 5**

Each group has but one primary purpose: to carry its message to the alcoholic who still suffers.

### **Concept 5**

Throughout our world services structure, a traditional "Right of Appeal" ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.

## What is the AAIG Public Information Committee?

The primary purpose of members involved with Public Information service is to carry the A.A. message to the alcoholic who still suffers. As members of the Public Information committee, we give A.A. information talks at schools, provide literature to various institutions, and provide local media with A.A. public service announcements. This is an incredibly rewarding service position that lends itself to the already robust sense of community we feel in the A.A. fellowship. On April 10<sup>th</sup>, we were invited to have a booth at the AACC student health fair. We were able to answer a ton of questions, hand out brochures and Big Books, and help direct some people to meetings that would work for them. We were thrilled to see an interested student show up at a meeting the very next day. We connect with libraries, youth groups, schools, and medical facilities all over the Annapolis area. There are many different ways to find your voice in this committee!

We are looking for individuals that would like to join the Public Information Committee and help find creative ways to spread the A.A. message. You can help with presentations in schools, literature maintenance at various facilities, and/or brainstorming new avenues to carry the message to the still suffering alcoholic.

If you are interested in joining the Public Information committee  
or just have questions about what the committee does, please contact:
