## FIND A MEETING

The AAIG website has a new updated meeting finder. Thanks to all that had a part in making this happen!

Take a look, if you see issues with meeting information you can report them to our web team.

### Step 6

Were entirely ready to have God remove all these defects of character.

### Tradition 6

An AA group ought never endorse, finance, or lend the AA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

### Concept 6

The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

### AAIG is greatly indebted to Jochen H. for managing the AAIG website for the past 3 years.

Jochen comes to us by way of Germany, France, Italy, India, and the Caribbean. He is fluent in three languages and can understand a few more. He works in the technology field and is fluent in many computer languages. He also speaks sailboat-ese (sometimes called marina talk) which is well understood in the Annapolis area. He certainly qualifies as multilingual. Jochen has sailed much of the east coast with a recent trip to Bermuda....which was curtailed by a meandering Atlantic storm. He is a home group member of the Keep It Simple group that meets in Arnold on Sunday evening. He recently celebrated 10 years of sobriety.

Jochen has managed several significant improvements to our website including addition of contact messaging, improved our meeting search page, has modified our database to allow input to the GSO meeting APP data, and last but not least he has brought us through the numerous meeting lists and changes resulting from the pandemic.

**Thanks so much for all you have done!**

## PLEASE send us your updated meeting information

As COVID precautions relax in the upcoming months, AAIG anticipates numerous meeting changes. To remain current, we are taking measures to update our meeting list on the website and to republish a meeting directory for the Annapolis area. AA World Services also uses these lists as input for the meeting app.

We plan to contact the more than 200 inactive/unreported meetings to establish a new list, including those groups which may not be currently meeting. This will require significant effort. We are looking for outreach committee volunteers for each area of Anne Arundel county who are in contact with those groups that are or were convening. Thank you; such service helps all alcoholics. We intend to post a new, consolidated list of both online and in person meetings with hard copies soon to follow.
