

ANNAPOLIS AREA INTERGROUP

August 2026

DEAR FELLOWSHIP,

August is here and we are grateful to share several opportunities for fellowship, service, and spiritual connection throughout the Annapolis Area Intergroup.

The Grapevine August issue "Sober Travel" has helpful stories by AA members about getting out and going places in sobriety, and the many ways we stay sober while on the road and in the air.

Our Activities Committee has been hard at work creating affordable ways for members to gather, enjoy one another's company, and strengthen the bonds that help keep us sober. In this issue, you'll find flyers for the Monthly Walk/Hike Club and the Summer Beach Picnic at Sandy Point State Park. We encourage you to share these with your home groups and invite others to come along. RSVP information is included on each flyer.

We also ask our fellowship to prayerfully keep Annapolis Area Intergroup in mind when considering Seventh

Tradition contributions. Like many service bodies, Intergroup is currently facing financial challenges. Your contributions help us continue carrying out our primary purpose by supporting vital services such as the phone desk line, fellowship activities, literature distribution, and outreach to treatment and correctional facilities.

The events and services available during this month reflects the spirit of Alcoholics Anonymous: one alcoholic helping another, groups coming together in unity, and members giving freely so that the hand of AA is always there for those who reach out.

Thank you for your continued support, participation, and service. Together, we help keep the message alive.

In Service,

Bulletin Committee

STEPS TRADITIONS CONCEPTS

STEP 8

Made a list of all persons we had harmed, and became willing to make amends to them all.

Tradition 8

Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

Concept 8

The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.

BIG BOOK QUOTE

Now we need more action, without which we find that, "Faith without works is dead." Let's look at Steps Eight and Nine. We have a list of all persons we have harmed and to whom we are willing to make amends. We made it when we took inventory. We subjected ourselves to a drastic self-appraisal. Now we go out to our fellows and repair the damage done in the past.
